Executive Summary

Minu Management Services (Pty) Ltd is a South African corporate solutions and consulting firm established in 2020, providing tailored business, financial and regulatory support to Financial Service Providers (FSPs), businesses and organisations.

With expertise spanning financial services, regulatory compliance, business administration, risk management and operational support, Minu works alongside clients to simplify complex business challenges and create practical solutions that support long-term growth and sustainability.

Our Approach

We believe that no two businesses are the same. Our approach is therefore built around personalised, professional and practical solutions that address each client's specific requirements. From day-to-day back-office support to strategic business consulting, licensing and regulatory assistance, we become an extension of our clients' teams providing the knowledge, resources and support needed to move confidently from where they are to where they want to be.

The Minu Difference

Our strength lies in combining industry knowledge, regulatory expertise and personalised service. We don't simply provide a service, we work to understand the bigger picture, anticipate challenges and help our clients achieve their ultimate business objectives.

The name "Minu", meaning paradise in Persian, reflects our vision of helping clients build their own corporate paradise, a business environment founded on security, efficiency, prosperity and peace of mind.
